Board Buzz

AMGC is open and we're golfing. This year, as usual, has been busy getting ready for the season. Spraying weeds, mowers and equipment repairs and maintenance; rolling the fairways, irrigation system repairs and other spring activities that happen behind the scenes to make AMGC ready for Opening Day.

Thank you Bob and Cindy Williams for the new yardage markers.

The Board discussed youth memberships.

Youth: Ages 14 & under need to be supervised by an adult on the course. FREE Jr. Memberships for youth ages 17 & under who enroll and pass a Golf Etiquette course. See Scott for details.

Banquet Rental Agreement finalized. Now taking reservations. Contact AMGC for details or to make a reservation.

Website: Sean Powell will be taking pictures, updating and maintaining the website.

President Ryan:

We're excited to kick off another great season! Greg and his crew have been hard at work getting the course into top shape. It's already looking incredible and only getting better.

Over at the clubhouse, Scott and Syl have given the pro shop a fresh new look with fresh paint and updates, and it looks fantastic. Even better, we've got more Alpine Meadows branded gear on the way. So keep an eye out!

The Alpine Meadows Foundation has also been making awesome progress, and we're looking forward to supporting them at their upcoming May 17 fundraising dinner. It's going to be a great year!

Wallowa Valley Golf Foundation Kick-Off Dinner

The dinner theme is Keep the Legacy Alive. If you're willing dress up in vintage golfing attire. The dinner is being catered by Appleflat Catering. Choose between prime rib or BBQ chicken. Lance Homan will be a guest speaker and talk about his family's history with the golf course as well as the fact that his son is now in the golf course management course at University of Idaho.

Mona Williams will be the MC. WVGf board members will speak about what we expect to accomplish with the foundation. Proceeds from the dinner will go toward the purchase of a used rough mower to replace the 21-year old mower now being used. Parts are no longer available for the current mower, and no one knows how much longer it will last. The replacement is important and will cost between \$40,000 to \$50,000 to replace it. We have a long way to go!

Plans are being made for the 2025 Youth program. Judy Ables and Amy Stangel are working with Scott to organize a program for the summer. The clinics will be sponsored by the foundation and free to youth. Scott has exciting plans for clinics and possible tournaments. The general time for the Youth program is June to the beginning of school. More to come as plans are finalized!
